Notice to residents in the Municipality of Bluewater

The Ontario Clean Water Agency (OCWA) will commence the 2018 Spring flushing of watermains for the Municipality of Bluewater Mondays to Fridays as follows:

Hensall Distribution System – April 23rd to April 27th

Zurich Distribution – April 30th to May 4th

Bluewater Distribution (Lakefront & Hwy 21) – May 7th to 11th

Bluewater Distribution System (Bayfield) – May 14th to May 31st

You may experience discoloured water coming from your tap. If this happens, we suggest you try the following:

- remove the tap aerators off your taps and flush the **cold** water house lines until it runs clear.

You may experience lower than normal pressure as a result of the flushing activities.

We apologize for any inconvenience this may cause.

OCWA will continue to work on the flushing programs to ensure consumer satisfaction.
