We can collect, process, and sell these materials day in and day out and you can feel good about it. Placing the wrong items in the recycling bins increases the cost of the program, lowers the value of the remaining recyclables, and affects the safety of our employees. Just because something is made of paper, metal, plastic, or glass, does not mean it is recyclable. Make sure you see it listed in the latest acceptable list posted on our web site, or your calendar. If you are unsure, please ask us at <a href="mailto:info@bra.org">info@bra.org</a> or 1-800-265-0700, or visit <a href="http://www.bra.org">www.bra.org</a>
