

MUNICIPALITY OF BLUEWATER

NOTICE OF PUBLIC INFORMATION MEETING

BAYFIELD MAIN STREET REVITALIZATION

The Municipality of Bluewater is planning to move forward with implementation of the Bayfield Main Street Revitalization project. A Public Meeting was held on September 2, 2020 to present the Main Street design to members of the public. Following significant input from residents, the proposed plan has been updated to address this feedback. With the assistance of the Landscape Architects, an updated plan has been prepared for public review. The new plan incorporates a wider boulevard area incorporating unique surface treatments at the entrances to businesses. A revised approach to lighting has also been devised. Input from property owners has allowed for additional modifications to incorporate site-specific design details.

A final virtual Public Meeting is planned to present the revised plan to residents of the community. Following the receipt of input, Council will give consideration to elements to be included in the final design and provide direction as it relates to the direction forward. Representatives from the Municipality, the Project Engineers, and Landscape Architects, will be in attendance.

DATE: Wednesday March 3rd, 2021
LOCATION: Electronic Meeting
TIME: 6:00 PM

Presentation material for the meeting will be made available for public review on February 24th, 2021 on the Bluewater website. Individuals wanting to provide input on the project are encouraged to send their feedback via email to Kelly Vader, Environmental Planner at kvader@bmross.net. Input will be accepted until March 17th, 2021.

Individuals wanting to provide feedback orally at the Public Meeting on March 3rd will be required to pre-register by contacting Lacey Vander Burgt at lvanderburgt@municipalityofbluewater.ca or 519-236-4351 ext. 238 by Tuesday, March 2 at 4:00 pm.
