

Telephone or Internet Banking

INTERNET BANKING

To setup internet banking, search “Payees” for Bluewater, Municipality of or a similar name that your bank may use. There should be two (2) options show up, one (1) for taxes and one (1) for utilities.

For taxes, use the roll number for your account number. This is the 15-digit number located on your tax bill. Use only the numbers when entering, do not enter the dashes (-).

For utilities, use the utility account number for your account number. This is the 13-digit number located on your utility bill. Use only the numbers when entering, do not enter the period (.).

Once your accounts are properly setup you can proceed to make the payment for the billing amount.

TELEPHONE BANKING

For telephone banking, follow the correct prompts to get to the payment section which may differ for each financial institution. Enter the same information for taxes and/or utilities as mentioned above.

If you are having issues finding the correct payee, please contact your financial institution for help.

***Note** – Internet and telephone banking takes 2-3 business days to complete. Please be sure that you make your online payment in advance to avoid occurring any late fees.
