Re: Smith-Rader Municipal Drain – Addendum No. 1
Municipality of Bluewater
Our Reference No. BW-006

All Bidders are hereby notified of the following:

This addendum modifies the original tender documents with the addition of the attached two-page **Domestic Supply Chain** specification.

The Contractor shall return a completed copy of the Scope of Work & Schedule of Prices along with the completed FORM OF TENDER AND AGREEMENT and a **signed and completed copy of this Addendum and attachments** to the Municipality of Bluewater no later than **Wednesday August 5, 2026, at 12:00 Noon**, Local Time.

Failure to return a signed copy of this Addendum along with the FORM OF TENDER AND AGREEMENT and a copy of the Scope of Work & Schedule of Prices could render the Tender liable for rejection by the Municipality.

The Municipality and the Engineer reserve the right to accept or reject a tender based on the above noted additional information regarding construction timing.

If you have any questions regarding this information, please contact our office.

HEADWAY ENGINEERING

Domestic Supply Chain

This project has been identified as being applicable to following the Province of Ontario's Directive to Buy Ontario. A Domestic Supply Chain Plan is required to bid on this work. Please complete the following table, adding any other identified Goods/Services applicable for this project. For the purpose of completing a Domestic Supply Chain Plan, please see the following definitions:

Major goods are defined as "durable materials, systems or components that are essential to ensuring the operational readiness or performance of the deliverable, and include:

- structural materials: concrete, steel and other metals, lumber, stone, aggregates
- building envelope components: windows, glass, roofing systems, bricks
- mechanical and electrical systems: HVAC units, generators, elevators
- specialty items: prefabricated panels, major fixtures
- fixtures, furniture and equipment
- transit fleet vehicles"

Ontario-Made Good is defined as "a good that meets any **one** of the following criteria:

- Wholly manufactured or originating in Ontario
- At least 51% of the total direct costs of producing or manufacturing the good have been incurred in Ontario."

Ontario Service is defined as "a service wholly provided by individuals (natural persons) located in Ontario."

Major Good or Service	Item Description of Major Good/Service	Made in Ontario? (Yes/No)	If yes, \$CDN value of Major Good/Service

By completing the above Domestic Supply Chain Plan, you are hereby attesting that the information provided in the Domestic Supply Chain Plan is true and no changes from Ontario made goods or services will be made throughout the course of this project without prior approval from the Municipality of Bluewater. If you are the successful bidder, you will be required to complete a hard-copy attestation.

For each item identified in Domestic Supply Chain Chart, Bidders must use the \$CDN dollar values entered in the chart to calculate the total dollar values in the table below for Ontario Made Goods & Services.

Category	Total Dollar Value \$CDN, (Excluding Taxes)
Ontario Made Goods & Services	
Total Bid Price	
Proportion of Total Bid Price Consisting of Ontario Made Goods & Services (%)	

An example of how the Domestic Supply Chain Plans will be evaluated is below. In this example, Bidder 3 would be considered the Low Bidder based on their adjusted bid, after the proportion of Ontario Made Goods and Services was factored into the price.

	Total Bid Price Submitted	Total value of Ontario Made Goods and Ontario Services	Ontario Made Goods and Ontario Services proportion	Adjusted Price (10% reduction for highest proportion of Ontario-made Goods & Services in Domestic Supply Chain Plan)
Bidder 1	\$100,000	\$25,000	25%	No adjustment
Bidder 2	\$95,000	\$9,500	10%	No adjustment
Bidder 3	\$105,000	\$42,000	40%	\$94,500
