## **Operation and Maintenance of the Bayfield (Bluewater) Marina**

The Municipality of Bluewater invites proposals from qualified and experienced individuals interested in managing and operating the Bluewater Marina, located at the mouth of the Bayfield River on Lake Huron. This scenic, Blue Flag-certified marina includes seasonal and transient docks, fuel and pump-out services, and key marine infrastructure. The successful proponent would enter into an operating agreement starting January 1, 2027, for a term of 5 years, with renewal options.

Proposal Issued: Monday, March 2, 2026

Proposal Closing: Thursday, April 9, 2026 at noon

Interested proponents must contact Maggie Off, Manager of Facilities, Parks & Recreation to receive an electronic copy of the proposal.
